USES IT**

Thinking outside the box

Research

Audience & Message

The audience & message

- Who is the audience?
- What motivates (or scares) them?
-> Actions
- How much detail do they need?
- How do they access & consume information?

Create

Design Types

Dark mode

- + Comfortable viewing
- + Focus
- + Consistent experience
- Astigmatism (reading)
- Too much content
- Design calls for a wide range of color

Infographic

- + Visually appealing
 - + Easy to understand
 - + Non – Data Experts
-
- Less details
 - Less options
 - Difficult to do a handover

Minimalist

Combination Infographic & Insights

- + Easy to understand
- + Non – Data Experts
- + Some detail options if needed (drill throughs & filters)

Takeaway

- Consider your audience
- Different message = different design
- Think outside the box!
- Keep it simple
